ANNUAL RETREAT

Detroit Conference of
United Methodist Church
Secretaries
October 11—12, 2015

A Chapter of PAUMCS

Speakers

When I was a teenager, my mom used to tell me that talking to me was like spitting in the wind.

Have you ever tried to talk to someone that clearly wasn't interested in what you had to say? Or, do you know someone that can talk for twenty minutes and never get to the point? We spend our days talking to people, or at people, or for people...as office administrators, we are the voice that gets heard. But are people really listening?

Let's get together and talk. Really talk about becoming better communicators. What would that look like and how would that feel?

-Teri Rice

Mark Doyal, Michigan Area Director of Communication, will join us as our guest speaker and will share how the conference communication will be changing.

WHAT YOU SAY ISN'T NEARLY AS IMPORTANT AS HOW YOU SAY IT.
