

Vacation Policy

In regard to vacations, our annual conference policy is that a pastor appointed to a first full-time appointment shall be eligible for two weeks of vacation (two Sundays) during his/her first full year, the time to be negotiated with the committee on staff/parish relations. Beyond the first year in a full-time pastoral appointment, s/he shall be eligible for four weeks of vacation each year. Vacation periods are based on a conference year (June to June), not a calendar year. Time spent serving the conference camping program and continuing education events are not considered vacation periods.
